For Insight Quiz, we ask that you adhere to the following:

- Speak to your reader. Pay attention to the site demographic and voice guidelines.
- Tone is casual, fun and playful.
- Grammar may be relaxed and colloquial, but the content must be clear.
- Text fields for questions, answers and explanations should be about 25 words.
- Don't include any images.
- Don't use redundant language. For example, don't include "choose one from the list below" in a question.
- Don't force complete sentences when a phrase suffices. Include a period after all sentences and phrases, except for one-word answers.
