

# Errors in Published Articles

Last Modified on 07/24/2015 10:34 am PDT

In order for an in-house editor to make any corrections to your article, you **must** fill out an email with the following information, and email us at [EditorialTeam@DemandStudios.com](mailto:EditorialTeam@DemandStudios.com) (be sure to put Error in Published Work as the subject.)

## **Name**

First Name

Last Name

## **Email Address**

## **Exact Article Title**

Include the article title exactly as it appears in your queue.

## **Article ID**

This is the number at the end of the URL when you have the article open in the Studio.

## **Error #1**

Include desired correction and reason.

## **Error #2 (if applicable)**

Include desired correction and reason.

**Note:** List only the section and text that needs to be changed, and leave a brief reason supporting your request
